As I reflect upon the 160+ weddings, vow renewals, and commitment ceremonies which we officiated in 2010; I feel warmth in my heart for all those we brought together on their special day. At Our Wedding Officiant, our professional licensed ministers take pride in creating a custom ceremony as unique and distinctive as your relationship; tailored to your traditions, beliefs and needs.

As we continue to grow our team of ministers; through them we have expanded our ceremonies' cultural diversity. In addition, we have expanded our geographic area. Although based in Cleveland, we serve all of Ohio, and recently added New York City to our service area. Peter, licensed since 1996, has relocated back to his home in NYC, uniting couples from NYC, as well as those choosing NYC for their destination wedding.

I would be remiss if I failed to thank all of you for your continued support and friendship in 2010. Our Wedding Officiant is honored to have you as a part of our "family."

2011 is proving to be a great year. Thus far, we have been recognized, chosen by our clients and honored with three choice awards. As the founder of Our Wedding Officiant, I resolve to continue our commitment to bring professionalism, dignity and integrity to each ceremony.
